

Romaine munchers really enjoyed this harvest!

Good fun for farmers, truckers, and kids alike!

Join the Marin Organic Glean Team! Be part of the solution.

On Monday afternoons, the Marin Organic Glean Team harvests extra foods from the fields of Marin Organic farms for the Organic School Lunch and Gleaning Program, enabling kids throughout Marin to eat local organic foods at summer camps and schools. Come meet your local farmers. Get your hands dirty. Join in the fun!

Join us Monday, August 16th, from 4:00 pm to 6:00 pm.
